

KAYSHAN comes back to V.I.M.BREAKS again for his fourth proper label single. Only three months after the success of his last single (V.I.M.BREAKS281 “VOICE IN MY HEAD”) he's back in action with another superb piece of Tech vs Proggy-Breaks business! “This Sound” is a top quality track full of all Kayshan trademark qualities and is backed with a rather excellent Liquid Drum n' Bass mix by the man himself, a superb Tech-Breaks remix by Canadian producer DRKWTR (check out his superb n' stylish releases on BREAKZ R BOSS RECORDS, KINDCRIME RECORDINGS, BEAT BY BRAIN RECORDS and more) and quality USA producer PRODUKDo (his V.I.M.BREAKS single “NO MORE” and his V.I.M.BREAKS BRONZE single :FLEEK BEATS” caused a lot of buzz in the scene)!!
