DEEP GARNET RECORDS is the new quality V.I.M.RECORDS sub-label specialized on Deep-Breaks sound. Highly influenced by the deeper end of Breaks the label will be focused on deep n' darkish Tech and Acid breaks, by some of the most promising international producers, for radio airplay, home listening and early hours dj sets.

A flash, a blinding burst of violet light, lit up the sky. Erick clapped his hands over his eyes. The flash whitened, growing larger, expanding. Suddenly there was a roar, and a furious hot wind rushed past him, throwing him on his face in the sand. The hot dry wind licked and seared at them, crackling the bits of branches into flame. Mara and Jan shut their eyes, pressed tightly together. "God—" Erick muttered. The storm passed. They opened their eyes slowly. The sky was still alive with fire, a drifting cloud of sparks that was beginning to dissipate with the night wind. Erick stood up unsteadily, helping Jan and Mara to their feet. The three of them stood, staring silently across the dark waste, the black plain, none of them speaking. The City was gone. At last Erick turned away. "That part's done," he said. "Now the rest! Give me a hand, Jan. There'll be a thousand patrol ships around here in a minute." "I see one already," Mara said, pointing up. A spot winked in the sky, a rapidly moving spot. "They're coming, Erick." There was a throb of chill fear in her voice. "I know." Erick and Jan squatted on the ground around the pyramid of tubes and plastic, pulling the pyramid apart. The pyramid was fused, fused together like molten glass. .
