

Do you feel like you could use a bit more funk in your life these days? Well rest easy. Toast & Jam has just what you've been looking for. Electric Draft is back with a brand new funk-bomb Music Of Your Soul. With vintage lfo'ed synths and rhythm guitars layered over big-room kicks, snares, and sub bass, Music Of Your Soul takes you on a bouncing breakbeat journey. Jump on this

track and enjoy the ride.
